

Galapagos Islands.

Tuesday August 7th 1855.

Light winds from the S.E. and clear, were ships
to the E. saw Sails and 2 sails, at night I heard
bearing S.E. 20 Miles Lat. 1 - 21 S.
Long 91 - 11 W.

Wednesday August 8th 1855.

Light winds and clear, heading to the E. latter
part were shift to the S.W. strong trades & clear.
3 sails in sight saw Sails, at night I heard
bearing E 30 Miles, and at dawn aught at S.E. about
36 miles distant. Lat - 58 S.
