

Improved Government Whitewash

That recommended by the lighthouse Board of the Treasury is cheap and durable

Each one half bushel of stone lime in boiling water keep it covered while being slacked, strain the white wash and add one half peck of salt dissolved in warm water, three pound of ground rice dissolved in boiling water, and make into a thin paste, one half pound Spanish whiting, and one pound of clear glue dissolved in hot water. Mix all these together and let the wash stand for several days. keep in a kettle and heat it before applying. It can be put on with a point or whitewash brush. The glue and other ingredients prevent this white wash from scaling off as it will do where made with lime alone

How to Make cotton cloth water proof

Make a solution of twelve ounces of lime and five ounces of alum in three gallons of water and soak the cotton in it for a day. Rinse it in warm rainwater and stretch it in the sun to dry. It will then be water proof

To take out Oil paint

A good mixture to have in the house is composed of aqua ammonia, two ounces; soft water, one quart; saltpeter, one teaspoonful; shaving soap one ounce. Scrape the soap fine before mixing the other ingredients and allow it to stand a few hours before using it is sure death to vermin if applied to the crevices which they inhabit; it will remove paint that is mixed with oil without injuring the finest fabrics, and will remove grease from carpets by carrying the spots with the mixture, and after sponging and rubbing it thoroughly wash it off with clear water

To prevent the smell of paint put a handful of hay in a bucket of water and let it stand in the room over night

Glycerine ointment

An excellent ointment for chapped hands is made by melting with a gentle heat, two ounces sweet oil of almonds, half an ounce of spermacete, and one drachm of white wax, when melted, remove from the stove, and add an ounce of glycerine, and stir until the mixture is cold. The ointment can be scented with any perfume to suit the fancy keep it in wide necked bottles
