

Wed 30 Steamer bound towards the
This day begins with squally weather
wind heling into the South West
also rain middle part wind change
into the S. West with fresh breeze
Schr with foresail & main top sail
Sett steering East by East no long
the crazy man fall of musket
has got about all of his cloths off
of him with his hands still in
prons. a bad man & deserves the
Still squalls

Thurs 31 To day begins with wind from
The Mack ship steering S by East to
middle part good weather see on
steamer steering to the west. have had
the jib up berit and repaired it
took the rone of the crazy man as
they were chasing his wrist. and put
rope on him. Lat 24 02 Long 47. 02

1921 Friday
April 1

This day begins with the
wind from the West with light
rain squalls ship by the wind with
libb. foresail & reef mainsail sett
no observation think the sun must
go on a stick. sole pumps attended
to the crazy man got the ropes off
his wrists. he seems quick to day
still we can't trust him.
So ends the day

Cape Verde Islands

Sat April 2 To begins trends with moderate E. wind
Schr last had on different tack. see for pore
rands track one. the crew came out the
wack attending to ship duty so ends the day.
Lat 24 25 North Long 44 26 West

Sun 3 This day begins with very light winds
from the South Schr steering E by South
all hands very good to day not doing
but a very little work Lat 24 40 Long 43 25
So ends the day.

Mon 4 To day we are having very fine weather
with breezes from the South better part South
west Schr with all light sails sett going
along about five knots per hour the watch
getting the two boats ready for whaling
all hands with good appetites. so ends the
day Lat 24 45 N Long 40 56 West

Tues 5 Begins with moderate west wind
Schr with all sail sett the wack attending
to ship duty see some steamer bound to
the westward just at sundown caught a
Porpo. everything all right. we have
to watch the crazy man. Lat 24 05 N
Long 38 55 W.
