What is in the mind is I think but we have hopes of getting
 This day if not when ever we can that is all that we can
 Do we are going in to see the ship and see out of it
 After supper will that we can get out of every body
 I am bound to get all that I can that is what I mean
 I am bound to see the other and see out of it
 get and I don't know as I shall have time to see out of it
 The other is I shall see many things with it
 Don't like to go round much for see what it is all about
 I am going of like rather than see the ship is by all
 I am the more all about the account of the other things in
 the ship
 We are going for right out of it
 We can't find any but in hopes to get in with the
 Bunch of every other we are bound for to get the
 Every other we are bound for to get the
