

Liverpool a Week

Remarks Sunday 7<sup>th</sup>

Strong Trades from E. Ship under  
all 3 top gaited sails & fore top Mast  
Stowing Sail at 8 AM a squall  
struck us from E and quite  
was the haul broke fore top mast  
and Main top Mast fore top gaited  
Mast Mizzen top gaited Mast broke  
Cross-tree Spreader yards finally rose  
all masts the upper deekie cables all  
hands and commenced Clewing a  
way the rick as for my part  
the times seem to have

Liverpool about 15 days out  
from home

Remarks Monday 8<sup>th</sup> Winds E  
Course S at last got the rick clear  
of 4 watches at day light could all  
hands at 6 AM Saw a ship on the  
weather bow got a squall for  
her she came down to three  
and one main top Mast. She was  
an English bark bound to  
London we then commenced  
fitting the Mast at Merrieston  
all fitted for left So Ends  
Carpenter making New Mast

Lat 19 20 Long 32 02
