To God  
 O from thy Endless light Above  
 Look Down upon us here  
 Send us some portion of thy Love  
 Our sinking Souls to cheer

Teach us to seek religious ways  
 And let thy Word with speed  
 And all thy counsels to obey  
 Thy grace now is our need

Grate god look down upon us here  
 in this vain world below  
 Let us to seek religious ways  
 That the may see it so

June 8th 1847 Monday

Grate God our everlasting King  
 Look Down upon us all  
 Send us some portion of thy Love  
 Though it be us so small

Let us to seek religious ways  
 While we yet are young  
 Thy glorious name in praise abound  
 From East and every tongue
