

A Journal Continued

April 21 Thursday Remarks of the day

fresh wind from the N.E. made sail at day light and went out on a cruise we saw one whale made for Beymia anchor in Beymia harbor at one P.M. and got our feathers well put letters on shore and did up some work and at three P.M. Thomas Hazel got left to go home so ends this day

April 22 Friday Remarks of the day

fresh wind and squall of rain we have a head cam to look Thomas Hazel was not on board so we waited until noon then Capt and myself went up to Mount Pleasant to see what we could do about him we came to think that he went to run away so lay to anchor all day so ends this day

April 23 Saturday Remarks of the day

first part fresh breeze from the N.E. made sail at one P.M. Thomas Hazel we have not seen yet him a run away we went out on a cruise saw some whales did not lower for them we came to anchor at Myra at four P.M. the scho. A de M. J. was baiting a whale they took last Thursday so ends this day

April 24 Sunday Remarks of the day

fresh breeze from the N.E. have layed at anchor all day crew got ashore as they wished as usual this day I dont feel well

April 25 Monday Remarks of the day

fresh breeze from the N.E. made sail at day light and went out on a cruise saw three whales lowered for them did not get far at ten we came to anchor at Myra at four P.M. put things away and washed of decks so ends this day

April 26 Tuesday Remarks of the day

fresh breeze from the N.E. made sail at day light went out on a cruise saw two whales call a whale came to anchor at Myra at five P.M. we found the scho. A de M. J. taking in a cow whale by took yesterday afternoon so ends this day

April 27 Wednesday Remarks of the day

fresh breeze from the N.E. made sail at day light went out on a cruise saw one whale at two P.M. we came to anchor at Myra and staked down our Mast and set forth so ends this day the scho. Isaac M. Parker took in a cow whale last the calf whale

April 28 Thursday Remarks of the day

a good breeze from the N.E. made sail at day light and went out on a cruise saw some whales lowered for them got near to two whales so we have at one that got far at ten P.M. the scho. Passacumbuck was far to a cow and calf whale wanted assistance so I lowered the Starboard board and
