Song

I will take you back again Kathleen
 Across the ocean wild and wide Perry
 To where your heart has ever been
 Since first you were my bonnie bride
 The roses they have left your cheek,
 I watched them fade away and die
 Your voice is sad when ever you speak
 And tears beding your lovely eye.

M. S. Manuel

I'll take you back again Kathleen
 To where your heart will feel know pain
 And when the fields are bright and green
 I'll take you to your home again.

I know you love me Kathleen dear Perry
 Your heart was ever fond and true
 I always feel when you are near Perry
 That life holds nothing dear but you M. S.
 The bright smiles that once you gave to me
 I scarcely ever see them now Perry
 Though many many times I see
 A darkening shadow on your brow. J. P. P.

Go that bright land beyond the sea Manuel ylyve
 May Kathleen shall again return
 And when thy old friends welcome thee
 Thy aching heart will cease to yearn Manuel
 Open along side the little silver stream
 Beside your mothers humble cot Sept
 Then all our joys they will be seen Sept
 And all our grief will be forgot. 16 1884
