TESTIMONIALS OF PHYSICIANS.

Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, recommends the BALSAM as being superior to all other remedies for Bronchitis. He says:

"I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the Throat, Bronchial Tubes, and the Lungs. NATH. HARRIS, M. D."

Dr. Lloyd, of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says:

"I have no hesitancy in stating that it was by the use of your LUNG BALSAM that I am now alive and enjoying health."

Dr. Fletcher, of Missouri, says:

"I recommend your BALSAM in preference to any other medicine for Coughs, and it gives satisfaction."

DR. A. L. SCOVILL,

Who has, for many years, been known to the public throughout the United States as the inventor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as surpassing any thing that has ever been offered to the public for the cure of Lung Diseases. He has used it in his own family with great success in the case of his sister, who was supposed to be in the last stages of Consumption. This lady is now well, and has been permanently cured by

ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this medicine before they give the case up, as we know very many valuable lives have been saved by being persuaded to give it a trial. DON'T DESPAIR because all other remedies have failed, but try this remedy and you will not be deceived.

The proprietors of this valuable BALSAM take pleasure in calling to it the attention of all medicine dealers, desiring that they procure a supply of it, and recommend it to their afflicted patrons and friends. It will stand the test for merits, as has the celebrated
