of

Fayal

N. G.

Master

Sailed from Fayal Oct 30<sup>th</sup> 1862,

23

Though I have roamed the trackless deep,  
and wandered through the earth;  
I still have seen no sunnier land  
than that which gave me birth;  
Where blooms the fairest gentlest rose,  
That ever to man was given;  
It is my one-to-love and bless,  
to guide my path to heaven.
