

A New Song

1. My Love she abides in the north Country
She Dances she Loves on Every Side
She is the fairest of Creatures that Ever I did see
She Exceeds all the Maids in the north Country
2. My Loves is Got Eyes like fair Silver Shro
She has Snowy White Breasts like a Snow
She is the fairest of Creatures & hardest of Heart
She has wounded me ~~She~~ Rinded me with ten thousand darts
3. My father Separated me from my Dearest Dear
Which Caused me to Sigh and Shed many Sad tear
With ye love and God as to there is none can Exceed
Kind of all the pretty Maids none is Yancy Sewell
4. ~~With~~ All the Gold that is on the Bay Shore
or is all the Riches that is laid upon Stone
or is all the Demons that Ever I did see
I would Part with it all for my Loves Company
