

Ship Henry Knudland Sept 26th 188

Sunday, sea account

Another web has popped off and saw
No whales nor anything, to lower the boats for yesterday
It blew a strong gale from the N.E. to N. ~~and then~~
For 24 hours and then changed to the West and moderated
With clear weather the rest of the week we have had the
winds from N.E. to W. round by north with fine
Weather minus a few rain squalls Our employment
has been various Blacksmithing, Carpentering and
Shoemaking setting up the Mast stays four topmast stays
Back ropes and Bowsprit shrouds putting the Bands
on the catheads for the tacks Baiting on the
Trawl and putting some ring bolts in the
Rail to lash the spare spars to chandeliers some are
for emergency purposes we might want them for securing the
fore tacks and sheets, getting out water and small store
The rest is made up of every day work, Saw a
Sulphur Bottom yesterday Birds plentiful for three
or four days

Ship Henry Knudland October 3rd 188

Sunday, sea account

All the fore part of this week strong
N.E. and Northw. winds and heavy weather steering
S.W. by W. and S.W. by S. until Thursday
Night when the ship to under a close reefed
Main top sail and storm sails. Blowing a
strong gale from the N.N.E. which lasted
about 48 hours and then hauled to the W.
and then S.W. and blew a strong gale
Ship laying to und. Double reefed and close
reefed main top sail and storm sails until
Saturday when it moderated down with fine
Clear weather and nearly calm steering W. by
S. and today a moderate breeze from the
N.W. the two sails in sight this morning went
ing to the North first we have seen for a week
have not seen any whales of any kind and
No kind of spawning fish except a small
shoal of paupers. Birds quite plentiful
Our employment this week has been finishing
up small jobs fitting the Bowboats Barrer
to unship to take her in making some heads
Bars middle stiches the main top sail and
various other small jobs
